Re: Mersen USA EP Corp. v. TDK Electronics Inc., Case No. 1:21-cv-00763-MKV (S.D.N.Y.)

Dear Judge Vyskocil:

I write pursuant to Rule 9.B of your Individual Rules and Practices in Civil Cases to request that Plaintiff Mersen USA EP Corp. ("Mersen") be permitted to file under seal certain accompanying papers to its letter motion seeking a pre-motion conference.

The certain accompanying papers include deposition transcripts of Dr. Wen Yang, a TDK Zhuhai employee who was the appointed 30(b)(6) corporate representative for TDK Electronics Inc. and TDK Zhuhai.

Mersen identified the transcripts it intended to file to TDK with a request that the information not be designated under the protective order. TDK indicated that the materials should be treated as Outside Attorney's Eyes Only. Based on TDK's request, Mersen is filing the depositions and Mersen's letter seeking a pre-motion conference under seal in a manner which is narrowly tailored to TDK's position that the materials Mersen is referencing is confidential and proprietary information.

Defendant TDK has requested that Mersen make this sealing request.

Thank you very much for your attention to this matter.

Respectfully submitted,

/s/ Thomas E. Bejin
